Why join us?

With three simple taps a day, your voice can be at the heart of positive change. And all **in less time than it takes to make a brew**. (52 seconds on average, we counted!)

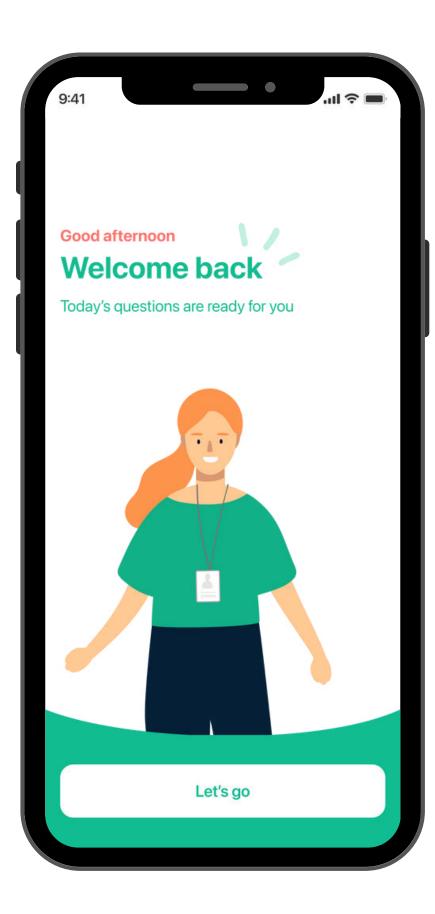

See the bigger picture. We share the previous day's results with you, so you can **see how others in the Tapp community feel too**.

As a little thank you, we share daily, bitesized CPD reads in the app – **it's a great way to keep learning about teaching**, without too much hard work!

Voices of teachers

STEP ONE.

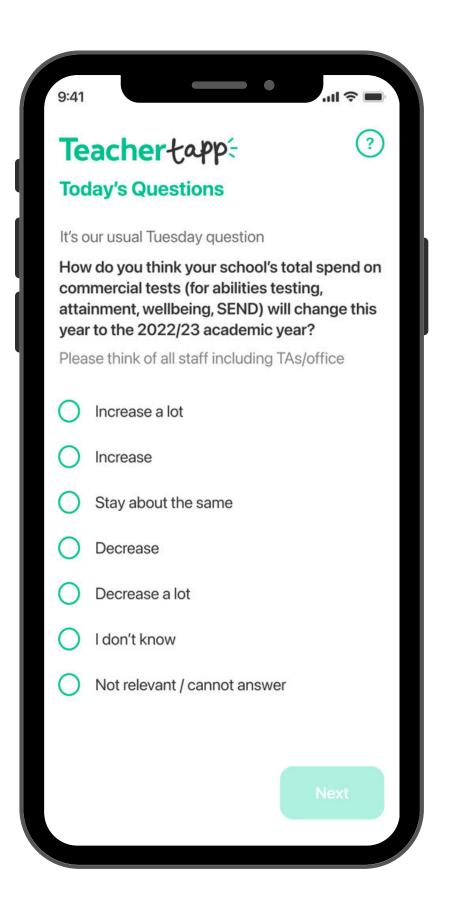

Get the app!

At 3:30pm, phones across the country buzz and teachers start answering the daily questions.

(Over 8,000 teachers answer every day)

STEP TWO.

Answer 3 daily questions

Each day we ask 3 questions about school life to help build a picture of what's happening in schools.

Teachers have 24 hours to answer them before the survey closes.

(We've asked over 3,000 questions)
