

Results Day Advice

Be Prepared

"Take a friend or partner with you. Read them slowly."

"Remember there are alternative routes if you don't get your first choice for your next steps."

Look at your options.

"Be prepared to go to local colleges to see what they have to offer. Consider apprenticeships"

"Collect them in school so that you have access to careers advisors."

Be proud and celebrate!

"Celebrate. You deserve to feel proud of what you have achieved. These results are a measure of you completing compulsory education and reflect the journey you have been on."

You have time.

"Take time don't rush. You might think you have to hurry but you have time."

"You don't need to choose your path in life just yet. Whatever the results, you can achieve something."

Your results do not define you.
